HMO Individual
Schedule of Benefits

Provided by:

About this Schedule of Benefits
This Schedule of Benefits outlines the cost-shares (such as deductibles, copayments and coinsurance) that apply to covered services under your plan. It is intended only to highlight your benefits and should not be relied upon to fully determine your coverage. If this Schedule of Benefits conflicts in any way with the Certificate of Coverage (contract), the contract shall prevail. Please review your contract for a description of services, supplies, terms and conditions of coverage.

For multiple outpatient services received on the same date of service, more than one cost-share may apply, unless expressly stated otherwise herein. For example, if you receive an injection in your physician's office, you may be responsible for the cost-share associated with a physician visit and the cost-share associated with practitioner-administered medications under this plan.
