Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$8,500 person/ \$17,000 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Preventive services, maternity office visits (1-15 per year)	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventative services without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventative services at https://www.healthcare.gov/coverage/preventative-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No, There are no other specific deductibles.	No, you don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	\$8,700 person/ \$17,400 family;	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> they have to meet their own out-of-pocket limits until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billed charges, non-covered services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://hf.org/MP_directory_2023 or call 1.855.443.4735 for a list of <u>network</u> providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an out-of- <u>network</u> provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a <u>balance billing</u>). Be aware your <u>network</u> provider might use an out-of- <u>network</u> provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do I need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a referral.

All **copayments** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
