### General Information

- Rosen Employee Health Plan (Rosen TPA), administered by Health First Health Plans administrative plans, applies these requirements on behalf of the employer.
- Benefits are determined by the plan. Items listed may have limited coverage or not be covered at all.
- All items and services on this list require prior authorization regardless of the service location, plan type or provider participation status.
- Authorization is not a guarantee of payment. Coverage is subject to member eligibility, as well as applicable benefit and provider contract provisions on the date of service. Contract limitations may apply and supersede any authorization provided.
- This document is updated periodically but may change at any time. Please refer to the current version by visiting our website at [myAHplan.com](http://myAHplan.com).
- Changes from the previous version are available on the AdventHealth Employee Health Plan Medical Prior Authorization List Notice of Change document located at [myAHplan.com](http://myAHplan.com).

### Rosen Medical Center & Referrals

- This plan provides treatment through an exclusive provider organization, Rosen Medical Center (RMC).
- For members 15 years of age or older, all primary care must be obtained from RMC.
- Referrals are required for all care obtained outside of RMC, except for pediatric care (member s younger than 15) emergency or urgently needed services.

### How to Request Authorization

- With the following exceptions, authorization requests should be submitted directly to the Health Plan
  - **eviCore Healthcare authorizes genetic testing, high-tech imaging / echocardiograms / sleep disorder testing and treatment, radiation oncology and medical oncology services.** Authorization may be requested by calling 877-825-7722 or by visiting their provider portal at [evicore.com](http://evicore.com).
  - **Prescription Drugs.** Contact EHIM at 800-311-3446
- We encourage participating providers to request authorization through the online provider portal located at [myAHplan.com/myportal](http://myAHplan.com/myportal). For certain services requested via the online portal, you will have an option to complete a questionnaire. The answers to this questionnaire may lead to an automatic approval. However, if an automatic approval is not received immediately, the information provided via the questionnaire will help AdventHealth Advantage Plans reduce the review turnaround time.
- If you are a non-participating provider or encounter issues submitting via the online provider portal, please fax your authorization request to 1-855-328-0059 (toll-free) or 321-434-4271 (local). For additional assistance, you may also call Customer Service toll-free at 1-844-522-5278.
