Important Information: This Medicare plan does not include prescription drug coverage.

If you decide not to join a Medicare Prescription Drug plan when you're first eligible and you don't have creditable prescription drug coverage or you don't get extra help, you may have to pay a late enrollment penalty. If you have drug coverage from an employer/union or other group health plan, you'll get a notice each year letting you know whether or not your coverage is creditable.

A Medicare Advantage plan is not a Medigap Policy.

Health First Health Plans is an HMO plan with a Medicare contract. Enrollment in Health First Health Plans depends on contract renewal.

(PA) Covered services that need approval in advance.

† A benefit period begins the day you are admitted to a hospital or skilled nursing facility. The benefit period ends when you have not received hospital or skilled nursing care for 60 days in a row. If you go into the hospital after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods you can have.

* Worldwide urgent/emergency care coverage: Health First Medicare Advantage Plans cover emergency services and unforeseen urgently needed medical care outside the United States, including when you are on a cruise ship. If you receive covered care from a provider outside the United States

that does not participate with Medicare, you may be asked to pay up front for the services and be reimbursed from the plan later. We will pay up to 115% of the Medicare-allowed amount in our service area (Medicare's limiting charge for non-participating providers), less any applicable cost-share. Please note that Medicare-allowed amounts can be much less than the provider charges you, and you will be responsible for paying the difference.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for up to seventy-five (75) percent or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. You may be able to get Extra Help to pay for your prescription drug premiums and costs. To see if you qualify for Extra Help, call:

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit myHFHP.org or call 1.800.716.7737 (TTY/TDD relay: 1.800.955.8771) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Health First Health Plans is an HMO plan with a Medicare contract. Enrollment in Health First Health Plans depends on contract renewal.
