

SMILE!

Pediatric dental benefits are included

Healthy teeth are an important part of a child's overall wellness, and Health First Health Plans supports children's health by offering dental coverage with certain Small-Employer Group and Individual/Family plans.* Under these qualifying plans, dental benefits described below are provided to all members through the end of the year in which they turn 19. We encourage you to take advantage of these valuable benefits and make dental care for you and your family a lifelong routine.

Your health plan automatically includes the following pediatric dental benefits with:

- No additional premium
- No cost-share for covered benefits
- No annual maximum benefit

Covered dental services**	Your cost
Office visit	\$0
Diagnostic and preventive services (X-rays, exams, cleanings, sealants on permanent molars)	\$0
Basic services (basic restorative, palliative care for emergency treatments, periodontal maintenance)	\$0
Major services (crowns and casts, prosthodontics, endodontics, periodontics, oral surgery)	\$0
Medically necessary orthodontics (24-month waiting period)	\$0

Your choice of DHMO (Dental HMO) network dentists

When you enroll, a primary dentist will automatically be assigned to you to ensure you can get care when you need it. If you ever prefer a different dentist, it's easy to make a change. Your plan's large network of providers with tenure means you can enjoy a long-term relationship with your network dentist.

*The Affordable Care Act requires pediatric dental coverage to be provided with Small-Employer Group and Individual/Family plans that begin on or after January 1, 2014. Benefits are provided to members through the end of the year in which they turn 19.

**Services must be obtained from a participating dentist. Exclusions and limitations may apply. This is only a benefit summary and does not replace or serve as a plan contract or policy. For more information, contact us or your broker, or see your plan documents.

If you are enrolled in a high-deductible plan, eligible for a Health Savings Account (HSA), you must meet your plan's deductible before pediatric dental benefits are covered without a cost-share.
