For prescription drug requirements,  
Please refer to the plan's formularies.

**Effective: May 1, 2021**

### General Information

- Health First Health Plans (Health Plan) administers these requirements.
- Benefits are determined by the plan. Items listed may have limited coverage or not be covered at all.
- All items and services on this list require prior authorization regardless of the service location, plan type or provider participation status.
- Referrals are not required for in-network specialist care. Refer to the current Provider Directory or visit our website at [myHFHP.org](http://myHFHP.org) for a list of network providers.
- Authorization is not a guarantee of payment. Coverage is subject to member eligibility, as well as applicable benefit and provider contract provisions on the date of service. Contract limitations may apply and supersede any authorization provided.
- This document is updated periodically but may change at any time. Please refer to the current version by visiting our website at [myHFHP.org](http://myHFHP.org).
- Changes from the previous version are available on the Health First Health Plans' Medical Prior Authorization Notice of Change document located by visiting [myHFHP.org](http://myHFHP.org).

### How to Request Authorization

- With the following exceptions, authorization requests should be submitted directly to the Health Plan
  - **Magellan Behavioral Health, Inc. (Magellan) authorizes Behavioral Health and Substance Abuse Services.** Authorization may be requested by phone toll-free at 1.800.424.4347 or online at [magellanprovider.com](http://magellanprovider.com).
  - **eviCore Healthcare authorizes genetic testing, radiation oncology, medical oncology, nuclear medicine procedures, high-tech imaging (including cardiac imaging/testing), and sleep related services/devices.** Authorization may be requested by calling 877.825.7722 or by visiting their provider portal at [evicore.com](http://evicore.com). eviCore Healthcare does not review requests being performed in the following locations: inpatient facility, emergency room, and 23-hour observation.
- We encourage participating providers to request authorization through the online provider portal located [here](#). For certain services requested via the online portal, you will have an option to complete a questionnaire. The answers to this questionnaire may lead to an automatic approval. However, even if an automatic approval is not provided immediately, the information provided via the questionnaire will help Health First Health Plans reduce the review turnaround time.
- If you are a non-participating provider or encounter issues submitting via the online provider portal, please fax your authorization request to 1.855.328.0059 (toll-free) or 321.434.4271 (local). For additional assistance you may also call Customer Service toll-free at 1.844.522.5282

## Out-Of-Network Services

- For HMO members, all out-of-network services, except for emergent/urgent needed care or renal dialysis for Medicare members, require authorization.
- For POS/PPO members (plans with out-of-network coverage), authorization is required for out-of-network services only if the service is listed in the below chart, or if an in-network exception is being requested. If an in-network exception is being requested, please include details regarding the reason for the exception request (e.g. services not available in-network, continuity of care, etc.).
