

American Heart Association (AHA) Online CPR 2019

Course Information (Select Course Below)

Course Fee

- Heartcode Basic Life Support (BLS)
for Healthcare Providers:** **\$50**

For initial certification or renewal CPR for those who work in a healthcare setting. Students will learn adult, child and infant CPR and choking relief, as well as how to use an Automated External Defibrillator (AED). This self-paced course is accessible anytime from a computer.

- Heartsaver CPR AED:** **\$65**

Initial Certification or Renewal CPR for **Non-Healthcare Providers**. This course is for those who are not healthcare providers, but still need a CPR certification card to meet a work requirement. Students will learn adult, child and infant CPR and choking relief, as well as how to use an AED. This self-paced course is accessible anytime from any computer. **Health First Associates are required to complete all modules (Adult, Child and Infant).**

Once you have registered, you will receive an email from the AHA with instructions to access the course online. After successful completion of the online portion, a hands-on skills evaluation is required. Skills evaluations take place at all the Health First's Hospitals, the Health First Training Center and various other locations. (See Skills Evaluation Schedule)
