

Emergency Nursing Pediatric Course (ENPC)

May–December 2018

2-Day Provider Course: The Emergency Nurses Association (ENA) Emergency Nursing Pediatric Course (ENPC) is a 16-hour course designed to present core-level pediatric knowledge and psychomotor skills associated with the care of pediatric patients in the emergency setting.

Created by nurses, this ENA course aims to improve the care of the pediatric patient by increasing the knowledge, skill and confidence of emergency nurses. Students will enjoy interesting lectures and participate in multiple skill stations where they will have the opportunity to integrate psychomotor abilities into a patient situation.

June 5–6, from 7:30 a.m.–5:30 pm

August 28–29, from 7:30 a.m.–5:30 pm

November 6–7, from 7:30 a.m.–5:30 pm

Note: Due to construction activity at Rivercrest Plaza, course location is subject to change. Registered students will be notified should this occur.

This program has been approved by Emergency Nurses Association for 15.33 contact hours. The ENA is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission of Accreditation
