ENPC is a two-day course designed to present core-level pediatric knowledge and psychomotor skills associated with the care of pediatric patients in an emergency setting.

Created by nurses, this Emergency Nurses Association (ENA) course aims to improve the care of the pediatric patient by increasing the knowledge, skill and confidence of emergency nurses. Students will enjoy educational lectures and participate in multiple skill stations, where they will have the opportunity to integrate psychomotor abilities into a patient situation.

ENPC may be officially attended by Registered Nurses but may be audited by other medical personnel. It is strongly recommended that the participant have at least six months of clinical nursing in an emergency care setting. It is assumed that the course participant possesses generic nursing knowledge, has an understanding of emergency care terminology and is familiar with standard emergency equipment.

This program has been approved by Emergency Nurses Association (ENA) for 15.33 contact hours. ENA is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission of Accreditation.

Registration

Pre-registration and payment is required. Please fill out the registration form and email/fax to the Health First Training Center.

ENA suggests participants register six weeks prior to the course in order to allow sufficient time to read through the course manual. Registrations will be accepted up until the week before the course, as long as slots are available. Our classes do fill up quickly, so please register as soon as possible.

Course Text

ENPC Provider Course Manual and the associated online modules are required and included in the course fee. Textbook and pretest may be picked up at the Health First Training Center, once enrollment has been processed. Bring a printed copy of your online modules completion certificate and your completed pretest with you the first day of the course. Please bring a photo ID with you the day of your course.

Cancellation

Cancellation must be made seven days prior to the program to avoid forfeiture of the entire registration fee. An administrative fee of $85, which includes the course manual, will be deducted from all refunds. Refunds will be processed within 30 days. Program no-shows will result in a 100% forfeiture of tuition fees.
