

Safe Sitter® is for young teens in grades 6 to 8, who are ready to learn the skills they need to care for themselves and younger children. In addition, Safe Sitter® teaches young teens life and business skills, so that they know how to be prepared, responsible and considerate whether they are babysitting or doing odd jobs for family, friends or neighbors. They will have fun. They will learn a lot. And at the end of the day, they can proudly say, "I am a Safe Sitter®!"
