To locate all of the resources for students and instructors, please following the directions below.

HF.org/education

- Select Resources for Affiliated Schools & Universities, located at the bottom of the page.
  - Instructor Resources: Select appropriate items needed
  - Instructor Resources: Select student information and review the following:
    1. Student Welcome
    2. Student Orientation (please select the appropriate orientation based on whether or not you will be providing direct patient care)

Nursing students must complete the Sunrise Clinical Manager (SCM) tutorials located at HF.org.

HF.org

- Select For Clinicians & Staff, located at the bottom of the page
  - Locate General Access (right side of the page)
  - Select Education
  - Select General Tutorials (under More Information)
  - Under SCM Training, View Only, select Start Tutorials
